Dear Madam,

Re: DONATION FOR ELETHU THEMBA COMBINED SCHOOL -2016

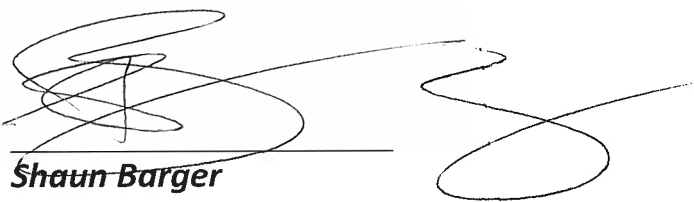

Thank you so much for your generous donation of MUESLI for our feeding program at Elethu Themba Combined School.

We have been involved in feeding at Elethu Themba School, where many of the children head child- headed families, for over 5 years. We were able to feed over 1000 children per day during school terms as well as supply them with food packs to take home for supplies during the holidays. Since beginning this program, the state of health of these children has vastly improved as well as their attention levels in class. Your generosity and committed support made the feeding of these children possible.

We pray that God will continue to bless you and your organisation

Please feel free to contact me should you require further information.

Yours in Christ
